**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm deeply disturbed by the lack of competition in the ISP space in the US.

The FCC needs to level the playfield by enabling smaller ISPs like Sonix to compete and it feels like you are doing the opposite.

Internet access is extremely expensive in the US and the market is dominated by two or three firms. I look up to the FCC to fight for us, consumer, and not to further strengthen those monopolistic players. So far it feels like you are failing.

Itamar.
